

## American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known in the business as strong and durable machinery that meets all the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company which is currently likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln can supply machinery, parts and warranty service for these types of scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been requested by the architects in different construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site because of the model's utmost performance level and high standard of quality for polishing concrete.
