

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since 1959. Whether the job entails landing loads on scaffoldings, transferring loads or positioning heavy steel, using a Lull telehandler will help make the job go easier and faster. These units are complete together with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull is able to supply 80 inches of boom travel for precision placement capabilities. There are even lots of optional Lull attachments for their telehandlers so as to help do whichever job.
