Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy providing products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills combined with their understanding of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both parts and technical support available when it is needed. Their high service commitment is one of the core values in their customer service. Keeping their customers' cleaning equipment working and ready daily is top priority. The company's top of the line technology delivers dependable machinery that eventually lowers your cost of cleaning. The service, the product and the price all work as one so as to make them an industry leader.
